1. Purpose

Freshart recognises the importance of training and developing its staff and understands that its employees are key to its success as a College. It, therefore, encourages its staff to be continually improving their skills and abilities both through on-the-job and off-the-job training.

Freshart acknowledges that training and development of staff provides benefits both to its employees in terms of their overall career and prospects for advancement within the College, as well as being central to the success as a business.

This policy sets out what Freshart may offer employees through training and development opportunities aimed at promoting the growth of individuals, teams and achieving success for the College.

2. Scope

This Policy applies to all employees of Freshart. This Policy does not form part of any employee's contract of employment. Nor does it form part of any other workplace participant's contract for service.

3. Training

Freshart may require you to undertake specific training related to your current position, or as a prerequisite for performing a different position, for example if you are promoted to a higher position. Any such training may be carried out either at Freshart's premises or by an external provider.

Training opportunities may also arise as part of your performance review. Freshart encourages employees to propose suggestions for employment-related training to assist their development.

You are required to have the permission of Freshart prior to either signing up, or attending, a training course. If you fail to obtain permission, Freshart in its discretion may decide to not reimburse you for any course fees you have paid or discipline you for any time you have taken off work without authorisation (up to and including termination of employment).

4. Staff Development

Individual staff training and development needs should be discussed during Freshart's staff development review process. The review process is designed to:

- encourage constructive dialogue between staff members and their supervisors;
- enhance the staff member's professional development;
- clarify job responsibilities and performance goals/expectations;
- establish appropriate development and performance objectives;
- help staff identify a possible career path for themselves;
- identify ways in which Freshart might enable individuals to improve their performance;

- ensure that information on job performance and achievements is recorded in each staff member's employment history; and
